

TESSENDERLO GROUP: REPURCHASE OF SHARES

With reference to Article 7:215 § 1 of the Companies and Associations Code and Article 8:4 of the Royal Decree of April 29, 2019, implementing the Companies and Associations Code, Tessenderlo Group announces the start of a share repurchase program for an amount not exceeding 40 million EUR. As the share price is currently quoted below its book value, as well as taking into account the liquidity position of the group, the Board of Directors of Tessenderlo Group is of the opinion that it is opportune to proceed with the repurchase of its own shares.

Between March 28 and March 31, 2023, Tessenderlo Group acquired 24,316 of its own shares at an average price of 28.56 EUR per share, for a total amount of 694,591.75 EUR. The transaction took place on the Euronext Brussels regulated market. Tessenderlo Group's Board of Directors executed the purchase as authorized by the Extraordinary General Meeting of Shareholders on May 10, 2022. As a result of this transaction, the company holds 55,819 of its own shares in total, or 0.07% of the total number of issued shares as of April 3, 2023. In addition, the company, through its subsidiary Verbrugge nv, still holds 21,860,003 its own shares, or 25.6% of the total number of issued shares (being 85,472,762 shares).
