- Other REBITDA included in REBITDA Group*	-1.4	0.1	
REBITDA	54.8	47.9	14.4%
Net debt	110.4	175.7	

Remark: all quarterly information included is unaudited.

*The line "Other" refers to engineering and construction activities of the subsidiary Tessenderlo Kerley Services Inc., for the joint venture Jupiter Sulphur LLC, which were reported previously within the Agro segment.

Outlook

- Tessenderlo Group confirms its previous forecast to realize a single digit growth of the 2017 REBITDA compared to the REBITDA of 198.0 million EUR in 2016, despite the current lack of visibility in the different end markets for the remainder of the year.
- The group wishes to emphasize that it currently operates in a volatile political, economic and financial environment.

(EXTRA)ORDINARY GENERAL MEETING
